ANEE'S SCHOOL

ABOUT ANEE'S SCHOOL

Since its foundation a decade ago, Anee's school has been preparing students with the education for a lifetime, to achieve success in higher education, career and life.

We provide instruction in a caring, safe and healthy environment for learning, working in collaboration with families and community.

The school building is made to be an architectural marvel with aesthetically designed and well equipped classrooms, computer labs, library, playgrounds, multipurpose hall, music and sports grounds, as well as swimming pool.

ANEE'S SCHOOL was established in 2007 and it is managed by Aggarwal Educational Trust. It is located in Urban area KHARAR block of MOHALI district of Punjab.

We are a Co-educational, private Senior Secondary school serving over 2500 students from Playway to XII in both of the campuses. While about 85% of our students come from Suburbs in tricity, we also welcome the diversity brought by students from nearby rural areas. Which makes Anee's diverse and inclusive school.

Our group is strictly committed to academic excellence and integrity.

At Anee's School, we are proud of the latest instructional methodology and a hi-tech educational system with due emphasis on ancient Indian Heritage and Culture. These are the components that enables students to be the global citizens of tomorrow.

We aim at equipping the students ethically, technically and spiritually to face the challenges of the ever changing global environment, while preserving our own culture.

WE STRIVE TO PROVIDE OUR STUDENTS:

A Value-Centered Education.

Each student is treated as unique, blessed with gifts and talents waiting to be nurtured. Our Value-Centered environment and challenging higher education curriculum not only nurtures academic excellence, but prepares each student for a life anchored in faith and dedicated to service. Our courses are taught from a Humanitarian perspective, with faculty members serving not only as teachers, but also as coaches, sponsors, mentors, encourages, and friends to our students.

A Well-Rounded Education.

As private schools, we're large enough to offer a full complement of co-curricular activities and small enough for each student to find a niche. Many of our students balance excellence in academics with active roles in athletics, clubs, music, drama and other co-curricular activities.

The Path to Success.

In our schools, it is our goal that each student grows in ethics, learns for excellence, and leads with integrity.

AIMS AND OBJECTIVE

To provide dedicated and enthusiastic staff, that enable students to enjoy their education and to fulfill their all round potential whilst at school.

Encourage the growth of reflection, intellectual curiosity and creativity, within a spirit of independent and co-operative learning.

Value and support each individual, providing a high quality of care, and nurturing self-esteem and mutual respect, in partnership with parents.

Provide a challenging and balanced curriculum, which prepares students for the next stage of their education and equipping them with skills for life.

Offer a wide range of activities and opportunities for enrichment, enabling students to develop their sporting and cultural interests through participation with others.

Celebrate achievement and success in all areas of endeavor, within a purposeful and secure community.

Encourage development of character, a sense of responsibility, spiritual values and a strong personal and moral code, leading to the highest standards of behavior and consideration for others.

Anne's School warmly welcome students of diverse beliefs, heritage and backgrounds.

The purpose of ANEE's School is to provide an excellent and stimulating education by developing character, intellect and physical well being

VISION AND MISSION

Anee's is a group of diverse and inclusive school, strictly committed to academic excellence and integrity. We strive to provide safe, healthy, positive and family-like environment for all of ours students.

「To prepare our students for higher education and for life, to provide an atmosphere in which all the members of our diverse, engaged and purposeful small school community appreciate, to strive for excellence, create an environment that nurtures and fosters the character and the development of mind, body and spirit.」

Anee's school is fully dedicated to develop positive personality traits. Through various programmes like public speaking and debating at national levels, students can gain confidence enhancements.

We always endeavor our students to be aware of cultural heritage and values, to indulge in being creative, take extra-curricular activities and to increase social awareness and become global citizens.

Our mission is to give students proper understanding of universal values and morals, sense of respect, responsibility and their rights.

VALUES

Where every child grows without any fear or favours. Where every child is loved and cared for. Where choices and decisions are guided by right values. Where teachers are more like knowledge transmitters, models, guides and friends rather than instructors or trainers. Where expectations of parents are respected and their suggestions are received with open mind.

Each student is treated as unique, blessed with gifts and talents that we will nurture.

Our **Value-centered** environment and challenging higher education curriculum not only nurtures the academic excellence, but prepares each student for a life anchored in faith and dedicated to service.

Our **vision of education** extends far beyond the classroom. We encourage our students to involve themselves in the wide ranging co-curricular program. We provide students with the opportunities to participate fully on the sporting field, on the stage, in leadership activities, Vocational Education and Training courses and on the Debating platform.

We expect high standards in all that we do at school. We encourage our students to aim high in their studies, to work hard and to be sensitive to the rights and needs of others.

ANEE'S SCHOOL

Core Values :

- High Achievement for All
- Excellence in Teaching
- Collaboration & Co-operation
- Respect for others
- Educational Equity
- Friendship
- Kindness
- Self-discipline
- Truthfulness
- Respect for property

EDUCATION

The latest instructional methodology and a hi-tech education system at Anee's school, with due emphasis on ancient Indian Heritage and Culture enables the students to be global citizens of tomorrow.

We aim at equipping the students ethically, technically and spiritually to face the challenges of the ever changing global environment.

We believe that the Education is instruction aimed at the all round development. It dispels ignorance, and in our school learning includes imbibing moral values, steeling of character and building the strength of mind.

Our education fosters team spirit and promotes cooperation. These values are considered sacred and precious they are of use forever.

We are confident that apart from having knowledge and excelling in academics, our students become individuals with integrity and sense of purpose. We thank our school for all that it means to us. We resolve to bring glory to our school in all spheres.

Three main guides of our program of comprehensive education:

- Academic Excellence
- Discipline and Honesty
- Leadership and Service

Every member of the faculty of Anee's has the distinction of having passed a rigorous process of selection. We also ensure that our teachers are empowered with a range of learning tools and periodic refresher programmes, training and orientation sessions, so that they are always in touch with contemporary global learning practices and are able to use their skills as the teachers to the fullest.

To ensure that each student receives the appropriate attention to his/her needs, we have ensured that the teacher - student ratio is 1:30. There are teacher assistants to the class teachers and maids catering to the needs of pre-primary and primary children.

Anee's schools, Greater Mohali and Mohali are affiliated to CBSE New Delhi Vide Registration No. 1630565 and 1630868 respectively.

Anee's is a YLE Cambridge school and the syllabus is integrated with the YLE syllabus in the English language.

This gives the children an access to an international benchmark certificate in language skills. Besides these, earnest efforts are being made to integrate alternative Learning Techniques in the teaching of English and Maths.

The School is also enrolled in a cultural exchange program under AIESEC, which is an international youth platform and active in 128 countries all over the world to promote cultural awareness. The school has a tie-up with foreign institutions for higher education programs.

Various teaching workshops and orientation programmes are organised in school and outside the school to upgrade the teaching skills of the current faculty and keep them abreast with the latest teaching methodologies.

FACULTY

Anee's School teachers believe that they are guides and facilitators, who try to instill in their students a sense of wonder, curiosity, and the desire to learn.

The teachers are thoroughly trained in different methods of teaching. They imbibe the values of honesty, integrity and discipline, and try to be the change that they advocate.

Our teachers are experienced in various fields, and they bring their experience to the classroom to give the students an ambiance of the contemporary world, counsel them about the careers they would like to pursue, and equip them for the challenges of the time.

Our team of teachers go through a rigorous recruitment process and are selected from pan-India and even from colleges such as IIT's and NIT's.

We also have foreign teachers for various languages and extra-curricular activities. Our teachers are able to inspire hope, ignite imagination and kindle a passion for learning.

Anee's family has committed and qualified teachers and supporting staff whose passion for excellence is apparent in their domains.

Their vast experience combined with the constant training offered to them at the school, result in lessons being taught differently, children being encouraged to come up with creative responses, and showing that learning is fun and interactive.

Outside the classroom our teachers act as guides and counselors to our students, often helping them deal with "growing up" issues, further strengthening the bond between our students and the faculty.

And this special relationship translates into the school becoming a happy center of learning.

EACH ONE TEACH ONE

In today's society, education is the determining factor between the success and failure of an individual.

The development of an individual is closely related to the proper education such as moral training, behaviour, knowledge of self and kindness. In general, to get better at understanding of the world.

Most of our population stay illiterate even after knowing the importance and impact of education.

Education is everyone's need and its importance is demonstrated in our everyday lives. Knowledge will lead us to sound life decisions that would make our life cherishable.

The main aim for Youth of India is to become more dedicated and to make their own contribution towards the cause of making education accessible to all children in India.

If we are in the fortunate position to learn whatever we want to, and become that we imagine, we should take the time to inspire others.

That's why we have launched the "Each One Teach One project" in our school.

Under this project, the higher class students will get engaged in teaching the ones in need and achieve some really surprising results by helping out.

The project's key aim is to improve the attainment of children. Through promoting excellence in early years of teaching and developing the knowledge and skills. By helping and teaching others, the children improve their confidence and social skills.

They will get to learn about their responsibility towards the society and gain an insight of the world and their surrounding.

ANEE'S SCHOOL

GLOBAL SCHOOL

Anee's School is always active in providing students the best education and activities. Their academic and individual development is at our utmost importance.

That's why we started partnership with AIESEC.

AIESEC is an International Youth platform, that is active in over 128 countries all over the world. Their goal is to promote cultural awareness.

In order for our students to become global citizens of tomorrow and get the best education, we hired foreign faculty from all over the world.

Beside academic excellence, the students can learn about traditions and cultures of other countries. Giving the opportunity to raise awareness and intelligence on global level.

ANEE'S SCHOOL

INFRASTRUCTURE

The building of Anee's School has a contemporary architecture that emphasizes on open space that provides positive and vibrant ambiance. It is building of modern facilities, with latest equipment, sports grounds and swimming pool. Infrastructure plays a key role in educational effectiveness of the curriculum, so it can attain effective, cognitive and practical goals.

The climate controlled building has 62 well equipped classrooms, which are air-conditioned. Classrooms are equipped with multimedia projectors and interactive white boards used for teaching. This involve students and gives them an opportunity to learn with technology.

The school has its own building with concrete boundary wall. Drinking Water is provided and its water coolers with RO facility. There are six blocks with separate boys and girls toilet, which are functional. The school has a ramp for special needs children to access classrooms. For non-teaching activities two other additional rooms are provided. The school has a separate rooms for Staff and Principal.

The building of the school is made to be an architectural marvel with aesthetically designed and well equipped classrooms, playgrounds, computer labs, library, multipurpose hall, music and sports grounds.

Each room in the new academic building has adequate storage provisions for the entire class.

Apart from the above mentioned basic infrastructural aspects, Anee's also proudly provides the following facilities to serve to the growing and challenging needs of the students and to make education a highly exciting and rewarding experience:

- Well Equipped Infirmary
- Hostel Facility with mess
- Multimedia labs
- Smart classrooms
- Maths, English, Physics labs
- Chemistry and Biology labs
- ATAL Tinkering Lab
- Air Conditioned campus
- 500 plus Seater auditorium
- Kids Splash Pool
- Kids Sand Pit
- Cricket Academy
- Table tennis academy
- Skating and Basketball court
- NSS Public Service Program
- Lawn Tennis courts with floodlights
- Transport Facility available for places within 40 km from the school campus

ANEE'S SCHOOL

TRANSPORTATION

The school has its own transport facility managed by trained transport staff. A rigorous background check is conducted for the appointment of drivers, conductors. A lady attendant is provided in each bus.

Transportation facility is provided and available for places within 40 km from school campus.

The school provides transport facility to the students through its own buses for bringing in students from Mohali, Kharar and adjoining areas.

For the purpose of safety and to monitor the students in buses, a vigil is kept through cameras in every bus. Safety being our prime concern CCTV surveillance helps in keeping a watch on the video records which can be saved for future reference.

A responsible person known to the driver and bus conductor is to be engaged to bring the child to the boarding point and to take the child back. The child will not be allowed to get down at the boarding point, if the person waiting to take the child is unknown. In such cases, the child will be taken back to the school and Parents / Guardian will be informed.

The phone number of the bus conductor and bus driver in which the child travels can be collected by Parents / Guardian.

A school bus is using GPS tracking system. This assists both parents and schools to keep an eye on the school buses and kids. Our school bus GPS helps track school bus routes in exact time and modify in case of any discrepancy.

There is a first-aid box in every bus to be used in time of emergency. The school has a specific vehicle and trained driver, for the ones in need of emergency transportation to hospitals or clinics.

『Here at Anee's school, your child's safety is our first priority』

INFIRMARY

At Anee's School the well being and health of our students is of utmost importance. We have an infirmary with on-call, 24\7 available medical staff, for consultation, services, and to address the immediate health needs while in school.

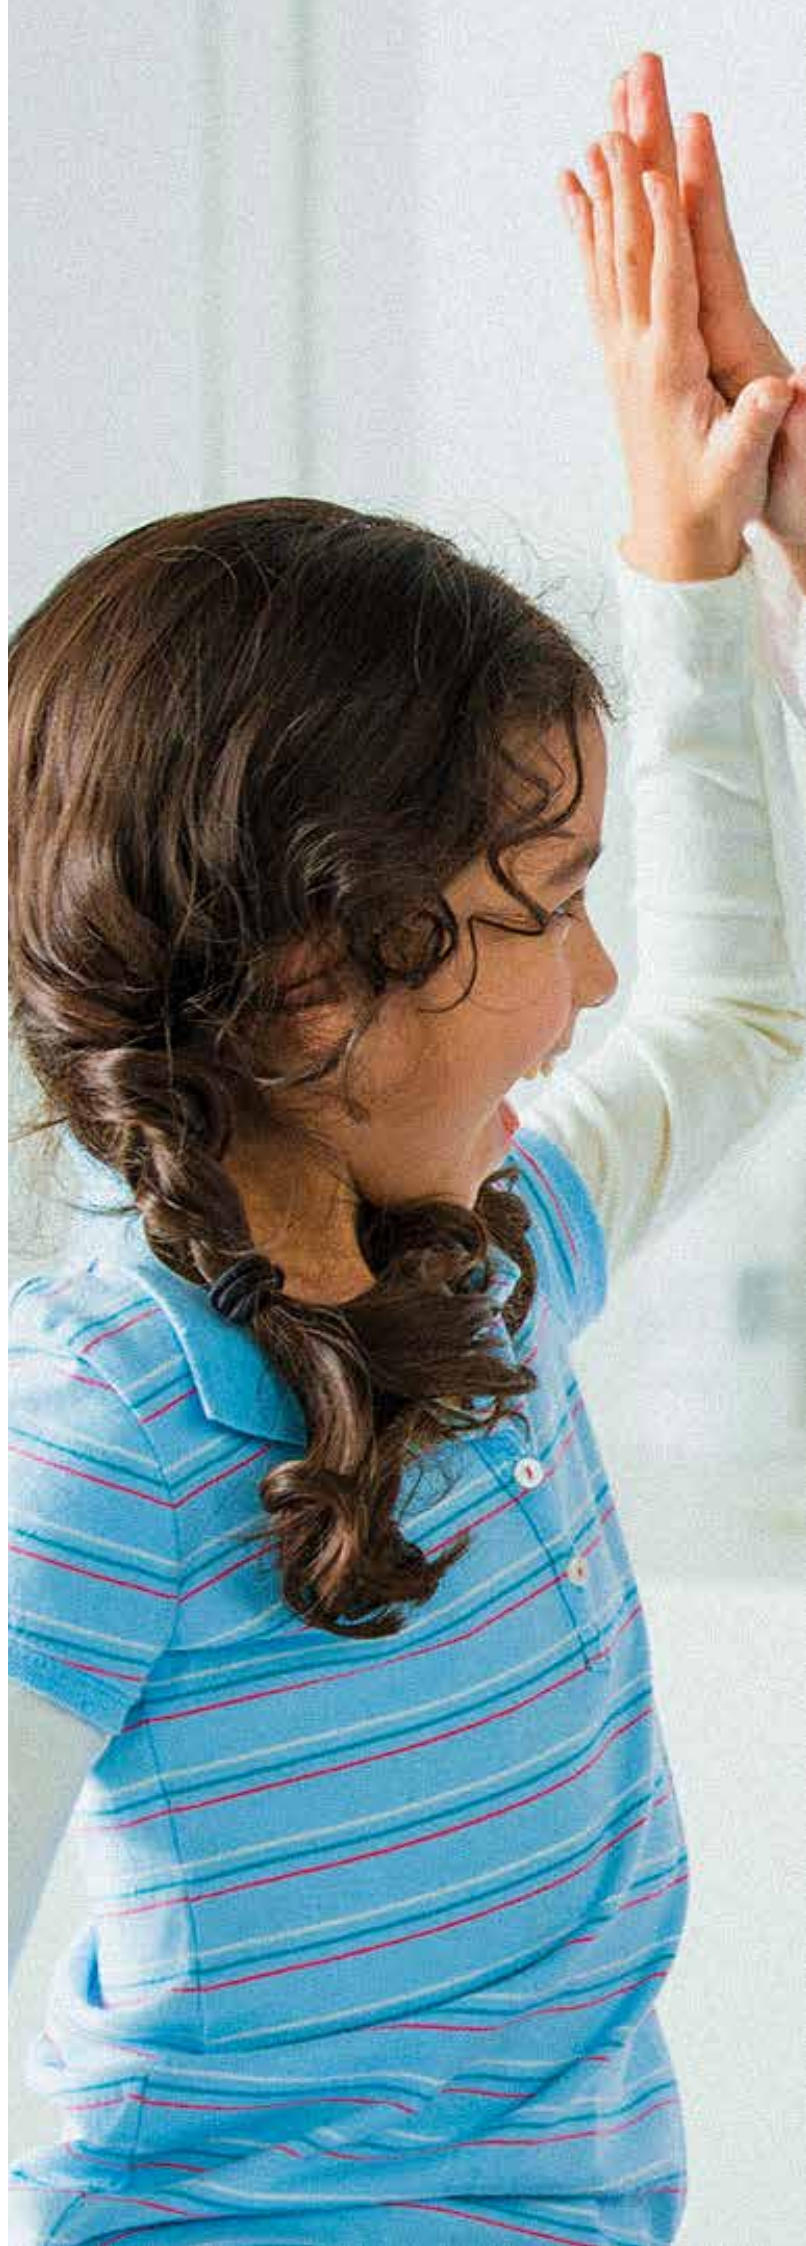

The nurses dispense medications, maintain health records, plan and coordinate care for students with chronic health problems, and treat minor injuries and illnesses.

Infirmary is air-conditioned and equipped with enough beds and most necessary equipment. It also has sick room, where every child in time of need can come and take rest.

Of an emergency that is requiring medical attention, the student will be shifted to the nearest hospital, and parents will be informed of the same. The School has first-aid system, where basic first-aid kits are available in high risk areas, such as the laboratories as well as on the school buses, and in sick rooms.

Medical check-ups are regularly organised in the campus and the record is maintained. Students go through regular medical check-ups to ensure everything is alright and that everyone is healthy.

Rest assured, the student would never suffer negligence or lack of medical support.

AUDITORIUM

An architect's delight, the auditorium with seating capacity of more than 600 audience. Equipped with the latest technology, it is the school's pride, located at the heart of the campus.

Auditorium is for multipurpose usage, such as for teaching and non-teaching functions. Assembly Functions, Parent Orientations, Lesson Enrichment and as a Lecture Room makes good utility of space for learning.

It is specially equipped with the latest technology, such as Dolby surround sound system and has imported projector, the auditorium has been constructed paying attention to every detail.

Auditorium is a multi-use concert hall with wonderful acoustics and a warm and welcoming ambiance. It is a perfect venue for academic and non-academic events.

The auditorium is centrally air conditioned and contains state of the art lighting and a full range of audio-visual equipment.

SMART CLASSROOMS

SPACIOUS CLASSROOMS

Notes, flowcharts, Drawings and PPTs used in the course of teaching are saved to be accessed as and when required. Students are actively involved in their learning through presentations made by them using the white boards.

Every classroom at our school is spacious, bright, ventilated and furnished. It has imported furniture that is ergonomically designed, confirming to the standards, that are specified for kids to develop the right posture, and to comfortably sit on, for many days of their schooling.

Each classroom is equipped with a smart board that comes with a host of interactive features, providing a very lively and enriching session between the students and the teacher. Also, each class session can be recorded allowing recaps for the next class. So no more messy black board and chalk dust.

Smart Classrooms are technology enhanced classrooms that foster opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, audience response technology, assistive listening devices.

This innovative and meaningful use of technology is transforming the way teachers teach and students learn in schools. Smart classroom Tools are a success because visually attractive methods of teaching engage the audio-visual senses and are proven to be more appealing to the students.

This method of teaching helps students to break out of their shells and become good communicators.

Listed below are a few classroom tools that are most essential for a transformational learning experience provided by Anee's school:

- Interactive White board -
White boards have replaced the black boards and a digital classroom without an interactive white board is incomplete. A teacher can project any subject on the touch-sensitive white board surface with the help of a projector and a computer; they can conduct lessons using finger or with a pen or stylus. Made to match with the growing exposure of children to smart phone and other technology, the white board comes with an exciting range of features that add a sense of excitement to each classroom session.

- Computer -
The use of familiar technology like computer makes students feel more comfortable and confident. In a digital classroom a computer acts as the central system that stores information and also essential for managing lessons. With the help of a projector the pre-loaded lessons can be maximized onto a big screen and can be taught with ease.

- Document Camera / Visualizers -
A visualizer or document camera is a simple to use and flexible digital learning tool. It allows teachers to project documents on large screens. This much sought tool helps to display a wide variety of information and gives a clearer view to help students understand complex features.

SCIENCE LABORATORIES

A scientific temperament and curiosity is nurtured through fully equipped and suitably designed science laboratories for Physics, Chemistry and Biology. Facilities are providing controlled conditions for research and experiments so they could be performed safely. The ratio of students and instruments is properly balanced. There is always present well trained lab assistant. Students are always encouraged to use the facilities for enhancing their innovative and scientific skills.

PHYSICS LAB

Well designed and equipped Physics lab, with all instruments that are in good working condition. Proper electric connections are provided for all of the instruments. Models are constantly updated so they are in good and working conditions.

CHEMISTRY LAB

Well designed Chemistry lab with all reagents in sufficient quantity. They are provided to all the students, and all of the apparatus and instruments are in working condition. Proper gas connections, water supply and ventilation facilities are provided. Practical classes are regularly conducted with proper instructions.

BIOLOGY LAB

It is a well equipped lab with all the latest equipments that students use to study detailed structure morphological, histological and physiological aspects of plants and animals. It exposes students with the intricacies of science, in order to understand it better. They get a experience on handling compound and dissecting microscopes, and in preparation of microscopic slides. The lab is upgraded with more than 100 specimens to study the characteristics of it. The ratio of the students and the equipments is well balanced.

COMPUTER LAB

“Technology will not replace teachers, but teachers who use technology will replace those who do not”

Early exposure to basics of computer readies every child for the future. It helps the students to overcome any inhibitions, that they could have towards computer usage. Anee's Computer Lab is well equipped and furnished, with latest computers and softwares, exposing the students to all the practical applications in the field of Information Technology. Through Multiple Teaching and Learning Aids as well as a complete theme based ambiance which helps students to visualize and feel technology. The laboratory also encourages the students to think, discuss with the teacher, and assimilate concepts. The Computer Lab creates perfect environment for students centric explorative learning.

LIBRARY

Well-equipped reference library, which houses over 10,000 books, is a treasure trove of information that has been built assiduously over a span of more than a decade and continues to grow each year.

The school Library is part of our school teaching and that's why the Library is extremely well resourced and is cataloged and managed by a trained, professional librarian.

It contains reference books and resources selected by each subject teacher to enhance understanding of their subject. Materials related to CBSE examinations are also located in the library so that students can access syllabus and past papers.

In addition, we subscribe to a wide range of periodicals and magazines which provide both intellectual stimulation and relaxation.

Our resources in the library are constantly reviewed and revised so that students have access to the very latest books and materials because they have tremendous potential to make a difference to their achievement, educational equity, social and emotional well-being.

Students are encouraged to cultivate good reading habits and use the library as an important center for learning.

SPORTS

The school offers a wide range of opportunities for co-curricular activities.

The objective of school sports is the enrichment of the experiences of students within the context of the educational mission of schools. As such, school sports should be educational and contribute to the overall education of all students, not athletes only.

At Anee's, children are encouraged to play a variety of team games and individual sports.

Anee's School lays great emphasis on sports activities to develop the overall personality of its students.

A well-developed infrastructure for of basketball, volley ball, cricket, swimming pool, football and tennis court exists in the School.

Students participate in all tournaments organized by CBSE and in other State/National Championships organized by various State Associations and National Federations.

School Students have been excelling in various sports and have won laurels in various tournaments.

Taekwondo training positively affects the self-control, class behaviours and corresponding favourable effects regarding their relationships with teachers and friends. With this aim Taekwondo is adapted as a part of school Sports, and training is imparted to the youngsters in the school premises itself.

As part of the future plans it is proposed to construct a Swimming Pool, Table Tennis room and a Shooting Range in the school, the facility for riding is also proposed to be started.

SPORTS ACHIEVERS

Athletics achievers

- Amrinder Singh - 200mt - 1st position
- Nitin Nayar - long jump - 2nd position
- Manveer Singh - 3000mt- 2nd position

Chess achievers

- Shiva - 2nd position
- Gurnek - 2nd position
- Manpreet - 2nd position
- Rudraksh - 2nd position
- Kapish - 2nd position

Cricket achievers

- Karan
- Prabhjot
- Shekher
- Akash

Taekwondo achievers

- Rishab Thakur (-25kg) gold medal
- Lakhwinder Singh (+41kg) gold medal
- Karanveer Singh (-41kg) gold medal
- Ananya Sharma (-59kg) gold medal
- Sargam Sharma (-29kg) gold medal
- Jasmine Kaur (-44kg) gold medal
- Rakshit Jamwal (-50kg) gold medal
- Nahid Priya (-42kg) gold medal
- Priyanshu Sharma (-25kg) gold medal
- Suditi Sharma (-20kg) gold medal
- Snehal Sharma (-35kg) gold medal
- Sargam Sharma (-29kg) gold medal
- Madhav Tanvar (-48kg) gold medal
- Aryan Yadav (-44kg) gold medal
- Anshul Rana (-59kg) silver medal
- Abhay Bhatia (-78kg) silver medal
- Vidit Sharma (-18kg) silver medal
- Kartik Sharma (-25kg) silver medal
- Hiya Palwar (-32kg) silver medal
- Rishevan Sharma (-23kg) silver medal

Badminton achievers

- Harleen Kaur - 1st position
- Rudraksh - 1st position
- Kapish - 1st position
- Gurpreet - 1st position
- Jasmine - 1st position
- Anmol - 1st position
- Nidhi - 1st position
- Jasbine - 1st position
- Dishu - 1st position
- Meemansa - 1st position
- Davinder Kaur - 1st position
- Tamanna - 1st position
- Prachi - 1st position
- Manveer - 1st position
- Jaswinder Singh - 1st position
- Ivreet - 2nd position
- Rutika - 2nd position
- Anuj Dayat - 2nd position
- Yeshey Dorje - 2nd position
- Shiva - 2nd position

ANEE'S SCHOOL

HOSTEL

We believe that a child having balanced sleep and proper nutrition will be properly able to devote himself / herself studying for long hours.

Thus, we provide fully AC hostels and mess with High quality food for students. The Hostel is safe and has a healthy environment for studies with a full - time caretaker and medical facilities.

Highlights:

- Separate hostels for boys and girls
- Centrally Air-Conditioned
- 24 / 7 residential faculty
- Indoor and outdoor sports
- Small theatre for recreational and educational movies
- In-house doctors
- Scheduled time table
- Time to time report to the guardians
- Complete security to students

ANEE'S SCHOOL

An ample sized mess to accommodate all the boarding students. Hygienic maintenance and nutritional meals - 5 times a day (Breakfast, Morning refreshment, Lunch, Evening refreshment, Dinner) to keep our students fully energized and get-going for all the activities.

With the coming session Anee's schools aim at providing its out-stationed as well as stationed students with a world class Residential facility.

The hostel is available for students from Class VI-XII. Girls and Boys are accommodated in different hostel buildings. Experienced Wardens, Caretakers and Residential Faculty are available 24/7 for the students.

HOSTEL

Good morning sunshine

Our students rise to shine at 6:00am, after a good 8 hour sleep, to be absolutely ready and enthusiastic for the day. Half an hour time for Morning Chores, Cleansing and Making the bed gives the students a feeling of self responsibility with the start of the day.

Everyday starts with a specially designed Breathing, Stretching and Meditation exercises. These exercises help capture the energies and good spirits in the body and help the child to control his actions and thoughts for a purposeful and knowledge able day.

Cleanliness is godliness

A healthy mind resides only in a healthy and clean body. Thus we encourage and even make sure that our children remain clean and fresh as a daisy all day long. A cleanliness inspection by the caretakers keeps the students under a watch. Also, 24/7 running hot and cold water in Spic n Span washrooms makes bathing fun and relaxing..

Breakfast

All night fasting bellies are treated to a nutritious yummy breakfast. The breakfast is wholesome to give all the energy for the day and is also light, to avoid dozing off during school.

Morning refreshments

For the packed 6 hour school time, all students are given a break for 20 minutes. During this break they are provided with some refreshment. This mid break energizes the students for the remaining hours and refreshes their minds.

Lunch

With the school hours over, a wholesome and yummy lunch is provided to the students in the Hostel mess. The ample space, proper seating and serving arrangement, Hygienic cooking-serving and eating area and a well organised and experienced mess staff caters to the hungry bellies.

Evening refreshment and milk

As per the needs of these growing children, a small meal / refreshment is also provided in the evening these refreshments are always freshly made by the mess staff.

ANEE'S SCHOOL

Study hour

Students dedicate one hour every evening to study and complete their home work and class works. Residential faculties are available throughout and help in assisting these students with problems and also keep a check on their studies. Every child is monitored and tutored by the teachers and it is made sure that the work at hand is duly completed and understood.

Shower break

The sweaty and dirty body needs a proper cleaning before the dinner, thus a compulsory shower break is scheduled right after the evening games. The hostel heads and caretakers make sure that each student is bathed and dressed for the dinner. This instills in the students a cleanliness fervor before any meal.

Dinner

An extended menu and scrumptious meal leaves the children satisfied for the day. Students eat well and healthy following the lead of their residential teachers who dine with them. This ensures that each student is adept with table and eating etiquettes. Each dinner meal is followed by a sweet dish making the full belly a happy one too.

Roll call and inspection

Before the students settle into their rooms for the night, a roll call is conducted by the warden to ensure that each student is present in the hostel, after the gates are locked. This keeps the warden vigilant and the students responsible. The security and safety of each student is highly valued and cared for.

My time

Students get sometime to engage in whatever activities they like. But the hostel heads take a round during this hour to make sure that the students have prepared for the next day.

Sleep tight

The lights get off at 9:45pm sharp. All days efforts and fun helps the students to have a very sound sleep, to wake up fresh and energized in the morning.

FROM THE DESK OF THE CEO - ANEET GOEL

In this ever changing society the young minds are pitted with drastic changes in their environment.

Today, education is facing new challenges not only to prepare competent professionals but to develop a sound individual.

A rigorous academic experience focused on traditional core curriculum challenges students and gives them the foundation to become better thinkers and communicators.

A rich tradition of athletics teaches students the important lessons of the playing field, sport and the outdoors.

And the new addition of the boarding school would help build in students a respect for others and responsibility towards themselves.

Additionally, we have structured our management team to case manage every individual student and assist them in their journey throughout their school life and beyond.

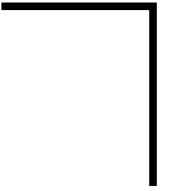

Our vision of education extends far beyond the classroom.

We encourage our students to involve themselves in the broad co-curricular program.

We expect high standards in all that we do at Anee's School.

We encourage our students to aim high in their studies, to work hard and to be sensitive to the rights and needs of others.

ANEE'S SCHOOL

ANEE'S SCHOOL

GOOD BYE

「At Anee's it's not just about what you learn or what you do...
... it's about who you become」
